Do you want the best individual, year round, soccer training in town? Join TFA East Now

WHY SHOULD I PLAY FOR TFA EAST? In our two years as a club, TFA teams have already won prestigious tournaments like the WAGS, Ohio Premier Invitational , CUSA MEAD Cup (5 Star Division) plus a Ohio South State Cup/ President's Cup. Many of our coaching staff are current/past professional and collegiate players, including many National licensed coaches. These instructors make the game of soccer fun while also developing skilled, confident, creative soccer players. Our teams currently compete in CUSL, Buckeye Premier, TPL and MRL.

WHERE? While we will one club, TFA East will run local practices and games on the eastside of town. Tryouts will be held at Riverside Park, All Weather Complex; **3969 Round Bottom Road, Cincinnati, Ohio 45244**

ABOUT OUR TRYOUTS. Soccer tryouts for Tri-State Futbol Alliance teams are the best method the club has of evaluating players and forming teams according to strength. Competitive soccer, by definition, calls for the strongest players to be placed together to form the strongest possible teams to compete at the highest level possible.

The tryout sessions will be held by age group and will consist of exercises and games designed to allow the coaching staff to evaluate the skills, Knowledge, and athletic potential of each player. Players will be placed on a team based upon their skill and competitive level. Existing TFA players must attend tryouts and will be re-evaluated for placement on teams. Through the implementation of these tryouts we can evaluate and place players appropriately, and in the case where a player cannot be placed, we will do everything possible to give prompt notification. If at all possible, please plan on attending each day of tryouts for your age group. If you have to miss one of your scheduled dates, be sure to inform the TFA registration staff or the appropriate age group coordinator.

Newcomers and those who miss the tryouts can be evaluated on an individual basis and placed on teams throughout the year; however, all evaluations and placements are subject to OSYSA rules and procedures.

For more information please or questions or concerns please contact, Director of Coaching- Chris Slusher, cslusher@tristatefutbolalliance.com
